## Cooking Holiday Spain

Unforgettable winery and gastronomic experiences in Costa del Sol

### ITALIAN COOKING CLASSES

Discover the secret of Italian cuisine.

You will have the chance to learn how to create memorable dishes for your friends and family.

This class wants to break with the topics that associate the Italian kitchen only with pizza and spaghetti bolognesa. This new place has the target to spread environment to the kitchen of this wonderful country with original, creative and modern dishes without forgetting the tradition of the good home-loving meal.

We hope we will be able to share with you our passion for good quality innovative food and have your confidence in this new project

Depending on the size of the group, we will then go either to a local Restaurant or to a private house where we will start the cooking.

In the class we will prepare a full four course meal. We will then eat what we have prepared accompanied by plenty of local wines.

A day of great fun with plenty to learn.

Free Pick up service included.
