The Rural Mediterranean Taste

MEDITERRANEAN COOKING CLASSES

Discover the secret of traditional Mediterranean cuisine.

You will have the chance to learn how to create memorable dishes for your friends and family.

In the class you will learn how to prepare a host of versatile dishes with confidence and will gain a greater understanding of how to select and use basic ingredients such as olive oil and spices - skills which you will be able to use at home to impress friends and family alike.

½ Day Excursions: Your day begins at 10:00am, where we will meet up to go to the Malaga central market where I will educate you on the culinary customs of Malaga and where we will buy all the fresh products for our cookery demonstrations.

Depending on the size of the group, we will then go either to a local Restaurant or to a private house where we will start the cooking.

In the class we will prepare a full four course meal. We will then eat what we have prepared accompanied by plenty of local wines.

A day of great fun with plenty to learn.

Free Pick up service included.
